1973 Cross Country Team

The Kansas Cross Country Team in its second year looked mighty impressive as the team consisted of two juniors, two sophomores, and three freshmen. They defeated Casey three times, Bridgeport one time, and Apollo Conference large school Robinson.

To top off the season sophomore Dave Nichols and junior Mike Decker led Kansas to a second place finish in the Little Illini Conference Meet. The best time over a 2.5 mile course for each boy was as follows:

Dave Nichols	13:37	Loren Bennett	14:23
Mike Decker	13:18	Kurt Speece	14:32
Ron Humphrey	13:44	Jim Saxton	16:32
Mike Nichols	14:24		

Next year's team should be impressive with the return of Steve Hood (possibly Bill Miller and Ron Heltsley) to the lineup. The fresh-soph group will be equally impressive with Loren Bennett, Mike Nichols, Jim Saxton, Mitch Camp, and Roger Kirby.

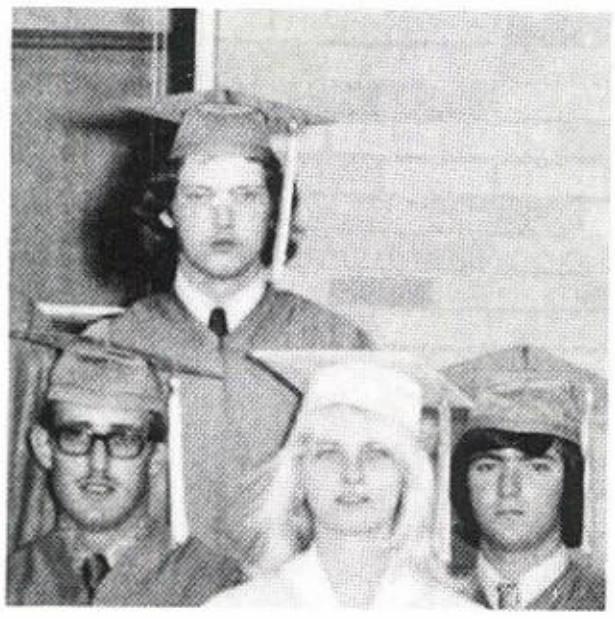
What are you doing after school?



Some of your friends will be going on to college. Others to jobs. If you haven't made any plans yet, consider a job with today's Army.

A job that will start you at $288 a month. With free meals, housing, medical and dental care. And 30 days paid vacation.

A job where you can learn a skill. We have over 200 job-training courses. Taught by excellent instructors, in good schools, with the finest equipment around.

A job that can become a career in the Army. Or in civilian life. A job that gives you a chance to travel. To live and work in places tourists only visit. Like Europe, Hawaii, Panama, Alaska.

And with our Delayed Entry Option, you can sign up today for the job training you want and report any time within the next six months.

Wouldn't you enjoy your summer more if you knew where you'd be in the fall? See your local Army Representative:
